5. Declaration of Compliance

The packaging covered by this Declaration has been assessed against the applicable requirements of the PPWR. At the date of publication of this Declaration, compliance has been demonstrated with the applicable requirements relating to substances in packaging (Article 5) and, where applicable, reusable packaging (Article 11). Requirements whose application depends on future dates or on delegated or implementing acts are outside the scope of this Declaration until they become legally applicable. They will be assessed and incorporated into this Declaration when they become legally applicable. This Declaration of Conformity is issued in accordance with Articles 15 and 39 of Regulation (EU) 2025/40.

6. Standard and Methods Applied

The conformity assessment of the packaging covered by this Declaration has been performed using the applicable requirements of the PPWR. Compliance has been assessed on the basis of the technical documentation maintained by the Economic Operator, including supplier declarations, material specifications, packaging design specifications and any other relevant technical evidence demonstrating compliance with the applicable regulatory requirements. Where harmonised standards or common specifications are not yet available or applicable, conformity has been assessed using the available technical documentation and supplier information.

7. Validity

This Declaration of Conformity remains valid provided that no modifications are made to the packaging design, material composition, manufacturing process, suppliers of packaging components, intended use, or any other characteristics that may affect compliance with the applicable PPWR requirements.

The Declaration is supported by the corresponding Technical Documentation maintained by the Economic Operator and shall be reviewed and, where necessary, updated whenever changes occur that could affect the conformity of the packaging or when amendments to the applicable legislation require its revision.

The supporting Technical Documentation shall be retained for the period required by the applicable legislation and made available to the competent authorities upon justified request.

8. Declaration and Signature

Sonae Arauco hereby declares, under its sole responsibility, that the packaging identified in this document complies with the applicable requirements of Regulation (EU) 2025/40 on Packaging and

Packaging Waste that are applicable on the date of issue of this Declaration. This EU Declaration of Conformity has been drawn up in accordance with Annex VIII of Regulation (EU) 2025/40.
